

Fact Sheet: Fatehgarh Sahib district is High Compliant to COTPA

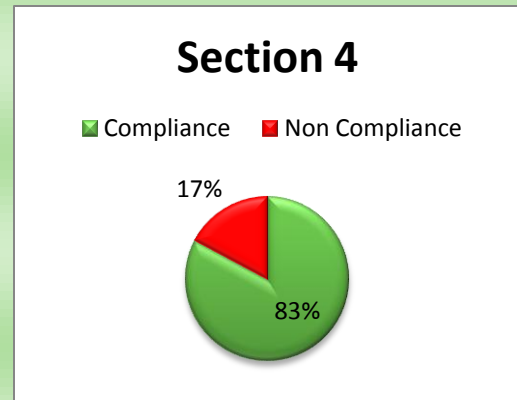

Objective: To assess and measure level of compliance to various provisions of COTPA, a robust survey using scientific protocols was conducted by School of Public Health, PGIMER, Chandigarh in collaboration with Department of Health and Family Welfare, Government of Punjab and The Union South-East Asia (The Union) in May, 2017 in district Fatehgarh Sahib covering both urban and rural areas of the district.

Fatehgarh Sahib District has not been declared as High Compliant to COTPA with respect to mean of major indicators of every section of COTPA.

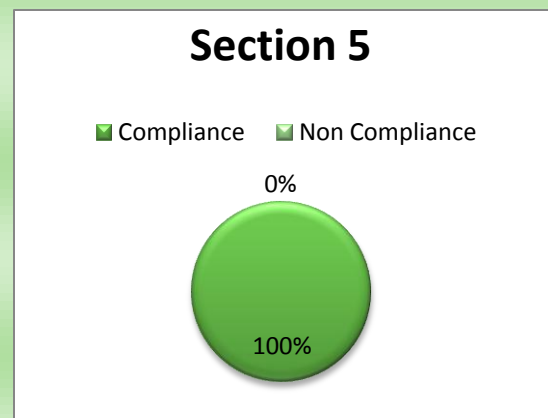

Sections	Mean Compliance to Major Indicators
Section 4	82.8%
Section 5	100%
Section 6a	66.6%
Section 6b	81.6%
Section 7, 8 & 9	100%
Mean Compliance	86.2%

Section 4 of COTPA, 2003 - Prohibition of Smoking in Public Places

Section 5 of COTPA, 2003- Prohibition of Advertisement of Cigarette and other Tobacco Products:

Study Design: A cross sectional quantitative study

Study Period: One month (May, 2017)

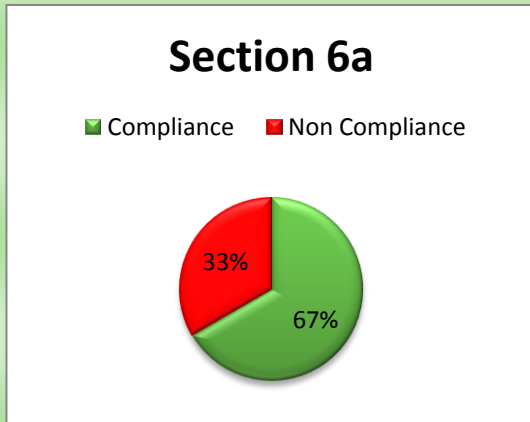

In order to assess the compliance in No. of places visited under:

Section 4 of COTPA (Smoke Free)	200
Section 5 of COTPA (Ban on TAPS)	69
Section 6a of COTPA (Prohibition on Sale to and by minors)	69
Section 6b of COTPA (Prohibition of Sale around Educational Institution)	40
Section 7, 8 & 9 of COTPA* (Display of PHW)	118

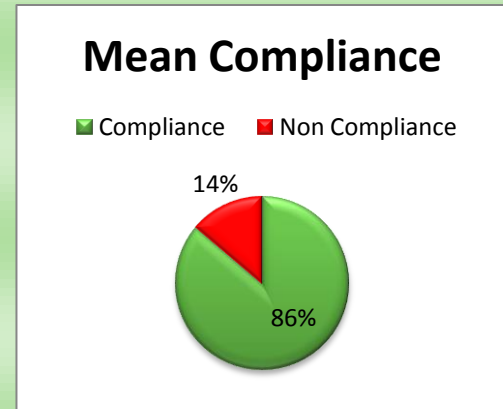

*No. of Packs observed

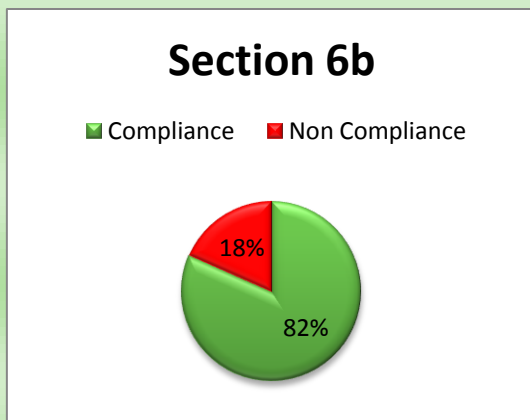

Section 6 (a) of COTPA, 2003- Prohibition on Sale to Minors:

Mean Compliance of all sections of COTPA:

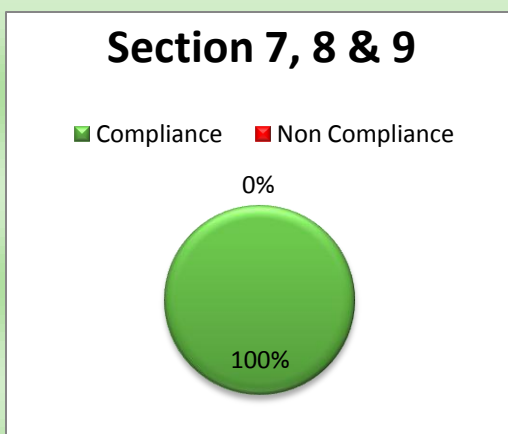

Section 6 (b) of COTPA, 2003- Prohibition of Sale around Educational Institution:

Observation: These observations validate that District Fatehgarh Sahib in Punjab effectively enforced sections 4, 5, 6b and 7, 8, 9 but failed to achieve the status of high level of compliance. District need to further strengthen enforcement of Section 6a. It is recommended efforts need to be sustained through enforcement by all departments, awareness building, multi-stakeholder engagement and monitoring to ensure that Fatehgarh Sahib progresses to become tobacco-free in future.

Section 7, 8 & 9 of COTPA, 2003- Restriction on trade and commerce in and production, supply and distribution of cigarette and other tobacco product:

The study was instituted by:

Generation Saviour Association (GSA),
S.A.S. Nagar (Mohali), Punjab
www.gsa.org.in

In Collaboration with:

The Union South-East Asia (The Union)

Technically Supported By:

State Tobacco Control Cell, Punjab

Conducted By:

School of Public Health,
Postgraduate Institute of Medical Education & Research, Chandigarh
